

# **Instrumentics World** 2026 **ENERGY CONFERENCE**

**23 & 24 September 2026**

**Van der Valk Airporthotel Düsseldorf**

## **CALL FOR PAPERS** **Measure What Matters!**

### **Join us at the Instrumentics World Energy Conference 2026!**

We are excited to announce the Instrumentics World Energy Conference 2026, taking place on the 23<sup>rd</sup> & 24<sup>th</sup> of September in Düsseldorf. This event will bring together instrumentation, measurement, and control professionals from across the energy and power generation sectors to explore innovations, address critical challenges, and share expertise driving the global transition to cleaner and more reliable energy systems.

**23 & 24 September 2026 | Van der Valk Airporthotel Düsseldorf**

## CALL FOR PAPERS!

Instrumetrics World invites professionals, engineers, operators, and innovators to present their insights, research, and case studies. Whether focused on practical applications, cutting-edge technologies, or forward-looking strategies, your contribution will help define the conversations at this landmark event.

We welcome presentation proposals in the form of a 250-300-word abstract submitted by  
**15 February 2026.**

### Suggested topics:

- ☉ Instrumentation for renewable energy systems (solar, wind, hydro, geothermal)
- ☉ Smart grids, digital substations, and intelligent monitoring
- ☉ Measurement solutions for hydrogen and carbon capture & storage (CCS)
- ☉ Sensors and controls for nuclear power and advanced reactors
- ☉ Predictive maintenance and reliability engineering
- ☉ Digital twins, AI, and machine learning in power generation
- ☉ Cybersecurity in energy measurement and control systems
- ☉ IoT integration for remote operations and monitoring
- ☉ Turbine performance measurement (gas, steam, and wind turbines)
- ☉ Emission monitoring and environmental compliance
- ☉ Energy storage instrumentation (batteries, fuel cells)
- ☉ Standards, regulations, and calibration in the energy sector
- ☉ Data analytics and cloud-based monitoring solutions

### Submission details

Submit your **250-300-word** abstract in Word format. Include a clear outline of your presentation, with key topics and keywords.

For further details, please contact the conference coordinator:

**Mr. Christian Borrmann** +49 152 2431 8257 • [c.borrmann@kci-world.com](mailto:c.borrmann@kci-world.com)

### UPLOAD YOUR ABSTRACT HERE

**Deadline:**  
**15 February 2026**

### IMPORTANT DATES:

**Abstract submission deadline: 15 February 2026**

**Notification of acceptance: March 2026**

**PowerPoint submission: 15 August 2026**

### Four events in one location

The Instrumetrics World Energy Conference 2026 will be held in tandem with the Green Steel World, Hydrogen Tech World, and AI in Customer Experience Conferences. One ticket grants access to all four events!
